RE: March Statistical Analysis for SSA #45

Greetings Business Owners, Commissioners and 34<sup>th</sup> Ward Residents,

During March, we saw a slight increase in crimes in the business district on a month-to-month basis, some of which resulted in arrests.

We're excited to have SSA 45 Patrol officers back to patrol the business district and look forward to the partnership with officers to make your establishment and patrons feel as safe as possible.

Please accept this report as documentation of the crime that has occurred in the SSA and surrounding areas during the month of March.

Have a great week!

Regards,

Dorian Johnson  
Project Manager SSA# 45

**I. INTRODUCTION AND ANNOUNCEMENTS:**

The Special Service Area program is a mechanism to fund expanded services and programs. To encourage stability and development within the business district and community by promoting business improvement programs, economic development initiatives, safety programs and a clean environment. The general boundary of the SSA includes both sides of Halsted between north 115<sup>th</sup> Street and south 99<sup>th</sup> Street; both sides of 103<sup>rd</sup> Street between Morgan and Lowe; and along Vincennes between 115<sup>th</sup> and 111<sup>th</sup> Street. =

**II. PROGRESS ON PREVIOUSLY IDENTIFIED PROBLEMS:**

SSA #45 officers are required to mitigate problems that arise on a daily basis. However, in the event a problem has occurred, SSA #45 officers have a response time of less than 3 minutes.

**III. SUMMARY FROM DATA COLLECTED:**

The statistics used for this report were collected from CPD data uploaded through ClearMap and AGB Investigative Services security professionals. This report accounts for data collected March 1 through March 31. According to the data, AGB continued to have an impeccable impact on the 34<sup>th</sup> Ward, and more specifically SSA 45. All of the crimes reported during the month were considered to be petty crimes, which is a direct impact of our security professionals patrolling the area. The entire ward experienced a large amount of crime, but the SSA 45 business district was kept safe. There were 482 crimes reported in the 34<sup>th</sup> Ward during the month, but only 10 crimes committed during AGB's working hours in SSA 45.

***AS A RESULT OF AGB'S PRESENCE, CRIME IS  
HAPPENING IN THE SURROUNDING  
NEIGHBORHOODS, NOT THE SSA 45 BUSINESS  
DISTRICT.***

# Statistics & Graphs

### Crimes in SSA 45

This graph represents the number of crimes that occurred daily in the SSA 45 boundary during March. Only 10 crimes occurred in the business district during hours AGB officers were present compared to the 23 that occurred outside of AGB working hours.

This graph represents the number of crimes that occurred daily in the SSA 45 boundaries during March compared to crimes in February. In March, there were 7 more crimes reported in the business district than those reported in February.

### Previous Month vs. Current Month
